

Summary of Survey

The survey was conducted in April 2021 by Glór na nGael on behalf of Naomh Barróg and there were 97 responses.

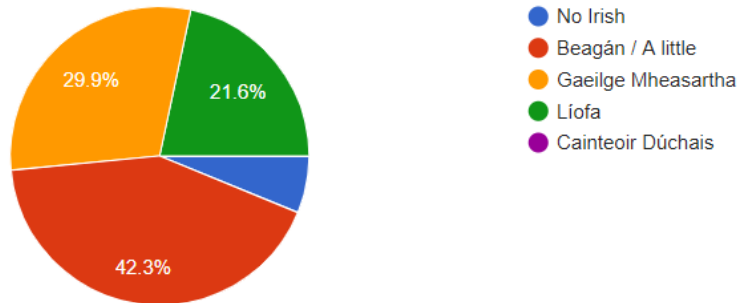

The results suggest the following

1. There is a lot of goodwill towards the language
2. There is support for more Irish to be visible and used in the club
3. There is support for Irish language activities and classes
4. There are Irish language speakers already in the club at a level to support activities in Irish

The action from this survey will be to institute Irish Language initiatives in the club that are inclusive of all the membership and ensure that everybody feels welcome irrespective of knowledge level of the language.

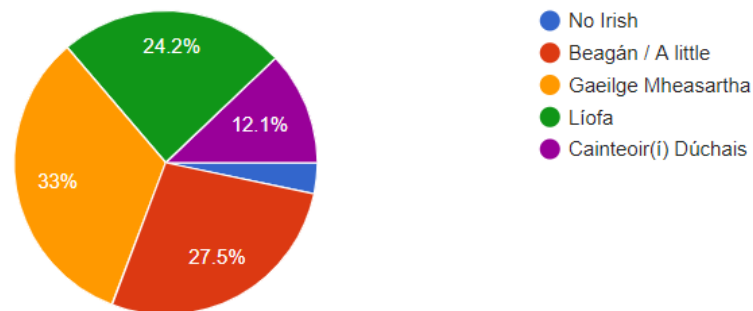

Cad é mar a dhéanfá cur síos ar do chumas i dtaobh labhairt na Gaeilge? / How much Irish do you have?
